## 2018 PIT SPACE RULES & INFORMATION

**You must be a track member to rent a pit space.** One space per member. Families with two or more members may rent two or more spaces.

**Pit spaces are not transferable.** We have people on a waiting list. If you do not wish to keep your pit space, please let us know and we will sell it to someone on the waiting list. You may not “sublet” or permanently “loan” your space to another racer.

**Friday night use.** Our Friday Street program will run until 11:00 pm. Overnight camping in your pit space **will be** allowed on Friday nights. If you are not part of the street cars **you must wait until after 11:00 pm and then move into your space.** Gates will be secured approximately 11:30 pm and will not be unlocked again until 9 am on Saturday morning. **If you are part of our Friday nights program and want to park in your reserved space you have to get there early! Friday nights pit spaces will not be reserved.**

**You may stay in the pits overnight on Saturday but must leave by 10 am on Sunday morning.**

### Care of the asphalt pits.

Our Tech booth has wooden blocks available to put under your trailer jack & floor jack. These help prevent damage to the asphalt.

The Tech booth also has floor dry available, if you have a fluid spill in your pit area we ask that you take some of the floor dry to soak it up and then sweep the floor dry up.

Do not paint numbers or names on your pit spaces.
